

PRODUCT INFORMATION SHEET

160 mm side-cutting pliers

Product description

Side cutting pliers designed for cutting conductors and wires. Certified for working on live electrical wires, under medium and heavy loads. The shifted location of the connection significantly increases the clamping force of the jaws and reduces the strain of the user.

Characteristics

- compliant with EN 60900 and the German DIN 5749 standard;
- VDE 1000 V certificate;
- made of high-quality chromium-vanadium alloy steel resistant to deformation;
- the shifted location of the connection increases the clamping force of the jaws and improves work ergonomics;
- sturdy cutting edges - hardness of 55-60 HRC;
- inductively hardened blades;
- two-component, insulated handle for a comfortable grip and superior performance;
- integral guards preventing hand contact with conductive parts
