

PRODUCT INFORMATION SHEET

Toolbox

Product description

Practical and roomy 22" box for convenient storage of tools and accessories. Made of high-quality materials that guarantee durability and reliability of the product. Its compact dimensions allows it to be transported by car and delivered right to the workplace. Ideal for service companies, car repair shops, as well as for the garage of any DIY enthusiast. An ideal solution for professionals who value mobility, security and flexibility.

Characteristics

- body made of a blend of high-quality polymers with increased durability ensures long-term use of the product;
- comfortable, aluminium, foldable handle;
- specially designed grooves on the side of the box make for easy lifting or handling;
- 2 durable snaps that can be locked using a padlock;
- 3 organizers with durable, transparent covers made of durable polycarbonate;
- removable, functional tray for smaller tools;
- durable, two-component hinges made of ABS and elastomer;
- reinforced structure of the body increases the strength and load-bearing capacity of the box;
- load capacity 20 kg.
