

## PRODUCT INFORMATION SHEET

### Multi Function Tool Bag

#### Product description

A multifunctional work bag is the essence of professionalism combined with practicality. Precisely made of durable 600D polyester, it guarantees protection and long-lasting service even in the most demanding conditions. Its design has been thought out to meet the needs of even the most demanding specialists. Moreover, the bag is designed as an open bag, without a traditional fastener, which provides easy and quick access to the tools and accessories stored inside. This is a practical solution that will be especially appreciated by those who value instant access to their equipment without necessity to open or close the bag.

#### Characteristics

- material: 600D polyester;
- metal handle with foam handle;
- the bottom is made of PE material;
- it has a tailor-made fastener;
- place for a business card;
- functional loops inside the bag;
